

SAINT JOHN'S EPISCOPAL CHURCH, South Farnham Parish, Tappahannock, Virginia. Built in 1849, it is a rare example of the architect Upjohn's design in wooden Gothic. This parish, an old colonial one, was formed in 1683 from Old Farnham Parish and its first church was built on Piscataway Creek in 1665.

Dear Katie - I'm
a traveling truck
these beautiful
weekends. It's
lovely here now.
